

August 4, 2022

Dear Wolfe Street Families,

Welcome to the 2022-2023 school year at Wolfe Street Academy. We ended the school year last year strong. After a long separation the year before, last year allowed us all to be together and work hard toward our goals. We so tremendous growth among students during the year and are looking forward to even more this year.

We will continue to set high academic expectations for all of our students while also continuing to offer enrichment activities, our after-school program, and focusing on the connections between each of us

To share some of the great things that we are planning for this year and to assist all of the children in their transition back to the school year, we are holding the eleventh annual "Meet Your Teacher" afternoon at Wolfe Street. Parents are invited to come to the school on Thursday, August 25, 2022 between the hours of 12:45 PM and 2:15 PM to meet your child's teacher. In the front lobby there will be a list of classroom assignments. You are encouraged to bring your children, but families need to stay together. Students will not be allowed to visit without a parent or guardian. All visitors are encouraged to wear masks the entire time they are on school grounds. This is an opportunity for you and your child to start to get to know the teacher and the classroom and ask any last-minute questions you might have.

We will also have a gathering for families new to Wolfe Street on Wednesday, August 24, 2022 at 5:30 PM. This is an opportunity for new families to ask the basic questions they might have about the school.

We look forward to seeing you all. Stay safe and get ready for a great school year!

Sincerely,

Mark Gaither, Principal

Wolfe Street Academy
